

# RICHMOND SAFETY STEP

**SSR001**

## ***SPECIFICATIONS:***

**Load Capacity:** 250kg

High visibility

Indented sides

**Dimensions:**

520 x 520 x 365mm

Lightweight in construction yet robust in design, Richmond's safety step is perfect for use in: Offices, Libraries, Supermarkets, Department stores, Medical facilities, and Warehouses. Reduce injury risks with our easy to pick up and reposition step, featuring a large surface area of high grip tape and an indented step accessible from each of the four sides. This Safety Step has a structurally reinforced underside that prevents sagging to give full stability and a flat surface at all times.
